2017 Alaska Principals' Pre-Conference will host a half day designed to support principals' understanding of personalized learning by engaging in a school-wide instructional design process.

Objectives:

This one-day pre-conference will provide participants with the opportunity to:

- Understand the “why” of personalization for students;
- Gain a basic understanding of what personalized learning is and what it looks like;
- Leverage a design process to consider the needs and areas of focus for their schools.

Presenters from Education Elements:

- Anthony Kim, CEO & Founder of Education Elements
- Scott Johns, Associate Partner at Education Elements

2017 Alaska Principals' Pre-Conference will host a half day designed to support principals' understanding of PEAKS data and ESSA implementation.

Presenters from the Department of Education and Early Development:

- Dr. Michael Johnson, Commissioner of Education
- DEED Assessment Staff

Continuing Education Units (CEUs) or one college credit will be available.
